Due to Hurricane Katrina, we are unable to file our September 20th monthly report. At this time, we would like to request to be changed from a monthly filer to a quarterly filer. This request was made at the suggestion of our report analyst, Maureen Bennett. Please change our filing status to quarterly. The next report that we will submit will be the Year End report. This report will cover the period from August 1, 2005 through December 31, 2005.

Thank you,
Allison Alexander
Federal PAC Treasurer
